

## LOCAL NEWS.

FRIDAY EVENING, AUGUST 15.

For this section generally fair, except light to light showers near the coast, slightly cooler, and a few winds.

**DISTRICT LODGE OF GOOD TEMPLARS.**—The second quarterly session of District Lodge No. 13, of Good Templars, comprising the lodges of Fairfax and Alexandria counties, met at Langley, Fairfax county, on yesterday. Delegates were present from Pioneer, Providence, Fannie Bowman Memorial, Lewinville, Rising Star, St. Julian, Good Will, Keystone and Golden Light lodges. There was also a large attendance of visitors and a delegation from D. P. Holway Lodge, of Washington, D. C. The reports of the District Chief Templar and District Secretary showed the membership to be 600 in the district. Steps were taken to raise funds for lecture work this fall in connection with the Grand Lodge. The passage by Congress of the original package law was a source of congratulation. The action of Judge Norton, of Alexandria, in reference to Sunday closing was warmly applauded and resolutions of endorsement adopted. The committee to arrange for the excursion to Colonial Beach on Thursday, August 28th, were given full power and instructions to arrange for a special train track on the W. & O. R. R. to Herndon on arrival of the steamer in Alexandria. A resolution was adopted requesting the County School Boards of Alexandria and Fairfax counties, and the board of the city of Alexandria to introduce the temporary text books into the public schools as adopted by the State Board of Education. Oration was selected as the place of meeting of District Lodge. Good Will Lodge at Langley royally entertained the delegates and visitors.

**PERSONALS.**—Mr. L. M. Blackford is at Cape May. Mr. C. J. Wise has gone to Spring Lake, N. J.

A German N. P. T. Burke has returned from the White Sulphur Springs. Messrs. S. Frank Field and W. C. Field left here yesterday evening for Baltimore where they will take the steamer Decatur H. Miller for a trip to Boston.

The Lynchburg Virginian says: Miss Nina Holt gave her young friends a delightful entertainment at her father's hospitable residence on Diamond Hill Tuesday evening, in honor of her charming guest, Miss D. L. D. of Alexandria. Dancing constituted an important feature of the evening, and was continued until a late hour. Elegant refreshments, served at midnight, were a welcome and refreshing interlude, in which the genial young hostess surpassed herself. About 2 a. m. the guests departed with great reluctance, with one accord vowing the happy occasion an event long to be remembered in the annals of our "Junior" society.

Miss H. L. Simpson, Mrs. G. L. Simpson and Miss Hannah Lunt left yesterday for Massachusetts. Messrs. J. W. Shinn, Robt. Shinn, Harry Brown and Doc Platter left here yesterday for a trip to Virginia Beach.

Miss Lura Cletcher has returned from a pleasant visit to Westmoreland county.

**POLICE REPORT.**—Last night was cloudy with light rain till about 12 o'clock, when it became clear. There were three prisoners at the station house.

The Mayor this morning disposed of the following cases: George Clanchester, arrested by Officer Sherwood for an assault on Buck Ewell and Thomas Nuzent, and also for an assault on Ann Kirby, colored, with a pistol, was fined \$10.

Robert Bullis, arrested in Washington, charged with obtaining money by forgery in Colorado, was brought to this city and lodged at the station house until this morning, when he was turned over to Special Officer Hugh Turner, who brought him here.

Henry Williams, a colored boy, charged with stealing money from W. N. Jackson, was sent to jail for thirty days.

Three residents of the southwest part of the city, arrested by Officer Grady on a peace warrant sworn out by Thomas F. Jefferson, were put under bond in the sum of \$100 each to keep the peace for one year.

A cow found roaming at large in the streets was taken up by Officer Davis.

**SUITS FOR DIVORCE.**—Samuel T. Luckett, has filed a bill for divorce in Washington from Kate Virginia Luckett. The parties were married in D. C. in 1877. In Federal City, the maiden name of the defendant being D. C. H. He charges her with undue intimacy with L. T. Bull. Infidelity and desertion are the grounds stated on which the court is asked to grant an absolute divorce.

Mary A. Clift also petitions for a divorce from her husband, James B. Clift, who she charges with having abandoned her and failing to contribute to her support. She sets out that she was only fourteen years of age when ran away from her parents in Alexandria, and going to Washington with Clift, married him there, but that he proved a drunken husband, and in 1888, after three children had been born and died, he deserted her. She asks divorce and leave to resume her maiden name of Mary A. McKenney.

**MALICIOUS NEGRO.**—Last night between eight and nine o'clock while the Alexandria Drum Corps were parading the streets they were followed by a gang of negro boys and young men. When on King street, near the corner of Columbus, a half brick was hurled by one of the horde into the ranks of the drummers which struck a young man named Machen Daniels on the back of the head, knocking him down. He was picked up immediately, and upon examination his head was found to be badly cut. After this waupon trick most of the negroes scampered off, and it was impossible to discover who had thrown the missile. Young Daniels was taken to a neighboring drug store where his wounds were dressed. It seems that several stones had been thrown at the Drum Corps last night before this young man was struck, one of which grazed the head of one of the drummers.

**ABSTINENCE TO-DAY.**—The Catholics of Alexandria did not take advantage of the Pope's order abolishing the Friday abstinence for the feast of the assumption, as Bishop Van de Vyver had not received notice of it in time to communicate to his parish clergy. Cardinal G. B. Jones gave the requisite notice officially in the Catholic Mirror, which reached here this morning, but that gives the permission to use meat to the Catholics of the Western Shore of Maryland and the District of Columbia only.

**SALOON CLOSED.**—The only saloon to close to-day, under the recent order of Judge Norton reading those who had violated the Sunday law, was that of Clines & Kraft, who declined to subscribe to the oath as prescribed by the Corporation Court. They posted on the front door a card bearing the following: "Closed by order of Judge Norton—will reopen September 1st."

**FIGHT ARRANGED.**—It is said that "articles have been signed" by F. E. E. and Y. H. of two Washington teachers, who have been making this city their headquarters for some time, to a fight to take place on the 10th inst. at 10 o'clock, at which money can be raised in the meantime. The fight is to be held in the square books.

**A SMASH-UP.**—A northbound freight train on the Virginia Midland road ran into several box cars which were left too near the main line on Wednesday evening near Hunt Mill, and a considerable smash-up was the result. Two box cars were partially demolished and the locomotive badly damaged, the pilot being knocked off and the front and smoke stack smashed in. No one was hurt. —Lynchburg Advance.

## MONETARY AND COMMERCIAL.

Monetary affairs here as elsewhere continue dull, with no special features. The prices of grain are advancing, which gives more activity in that market. In New York yesterday money on call was close, ranging from 4 to 7, last loan at 5, closing off at 5. Prime mercantile paper 5a, 6a. In Baltimore money ruled easy, with a fairly good business demand at 4 1/2 to 5 per cent. State securities are quiet, with sales of \$1,000 Virginia new 3s and small lots of Virginia coupons. New York, Aug. 15.—The strength of the stock market last evening was continued this morning, and the opening was made on a large volume of business and at advances over last night's figures of from 1/8 to 3/4 per cent. generally.

Further slight gains were scored in the early trading, but the heavy demand soon checked away and the upward movement came to a halt. Prices then went back to about opening figures.

Later, however, the market again developed a firm to strong tone, but no other feature was shown, and at 11 o'clock the market was dull and steady to firm at slight changes from first prices:
